

Dr. Suresh Pillai

Associate Professor – Computer Science

drsuresh.pillai@university.edu · +91 94321 09876 · Kochi, Kerala · linkedin.com/in/drsureshpillai-cs

Associate Professor with 14 years in academia and 5 years in industry. PhD in Distributed Systems from IIT Madras. Published 28 research papers (Scopus indexed). Expert in Cloud Computing, Distributed Systems, and Machine Learning. Secured █1.2Cr in research grants.

EXPERIENCE

Associate Professor – Computer Science

Jan 2018 – Present

College of Engineering Trivandrum (CET), Kochi

- Teaching UG and PG courses in Cloud Computing, Distributed Systems, and ML
- Supervised 12 M.Tech theses and 2 PhD scholars (1 awarded, 1 ongoing)
- Published 18 papers in Q1/Q2 Scopus journals since 2018
- Secured █80L DST research grant on Edge Computing for Smart Cities

Assistant Professor

Jul 2012 – Dec 2017

NIT Calicut, Calicut

- Taught Data Structures, OS, and Computer Networks to 200+ students per semester
- Published 10 research papers; H-index of 8
- Coordinated TEQIP-funded faculty development programs

Software Engineer

Jun 2007 – Jun 2009

Infosys, Bangalore

- Developed distributed middleware for telecom billing system (Vodafone UK)
- Built real-time data processing pipeline handling 1M+ events/day

SKILLS

Teaching: Cloud Computing · Distributed Systems · Algorithms · ML/AI · OS

Research: Distributed Computing · Edge Computing · IoT · Blockchain

Tools: MATLAB · Python · R · LaTeX · SPSS

Academic: Curriculum Design · Research Supervision · Grant Writing · Peer Review

EDUCATION

PhD Computer Science (Distributed Systems) — IIT Madras (2012)

M.Tech Computer Science — NIT Calicut (2007)

B.Tech Computer Science — College of Engineering Trivandrum (2005)

CERTIFICATIONS & ACHIEVEMENTS

✓ AWS Educate Certified Educator

✓ NPTEL Course Author

★ Best Paper Award – IEEE CloudCom 2021

★ Kerala State Young Scientist Award 2016

★ 28 Scopus-indexed publications, H-index 12
