

Ishaan Kapoor

Fresher – Data Science & Analytics

ishaan.kapoor.ds@gmail.com · +91 78901 23456 · Chandigarh, Punjab · linkedin.com/in/ishaankapoor-ds · github.com/ishaankapoor-ml

Data Science graduate with hands-on experience in ML, statistical analysis, and data visualization. Built predictive models with 92%+ accuracy. Passionate about turning raw data into actionable insights. Kaggle Expert (top 8%). Looking for Data Analyst / Data Scientist role.

EXPERIENCE

Data Science Intern

Jun 2023 – Aug 2023

Groww, Bangalore (Hybrid)

- Built churn prediction model with 89% accuracy identifying at-risk investors
- Performed cohort analysis on 500K users revealing key retention drivers
- Created Tableau dashboard for retention KPIs used by Product and Marketing teams

Research Intern

Dec 2022 – Mar 2023

IIT Ropar – Data Lab, Ropar

- Analyzed agricultural price data for 15 crops across 20 years using time series forecasting
- Achieved RMSE of 12.3% on price prediction model — paper under review at ICML workshop

SKILLS

Data Science: Machine Learning · Statistical Analysis · A/B Testing · Hypothesis Testing

Languages: Python · R · SQL

Libraries: Pandas · NumPy · Scikit-learn · TensorFlow · Matplotlib · Seaborn

Visualization: Tableau · Power BI · Plotly · Google Data Studio

Tools: Jupyter Notebook · Git · AWS S3 · Google BigQuery · Excel

EDUCATION

B.Sc Data Science & AI — BITS Pilani Goa Campus (2024) | GPA: 8.4/10

PROJECTS

CreditRisk ML (Python, XGBoost, SHAP, Streamlit) — Loan default prediction — 92.3% AUC, deployed as web app, 150+ GitHub stars

StockSense (Python, LSTM, yFinance, Plotly) — Stock price forecasting dashboard with sentiment analysis from news

IPL Win Predictor (Python, Random Forest, Streamlit) — Real-time IPL match win probability — 500+ daily users during IPL 2023

CERTIFICATIONS & ACHIEVEMENTS

- ✓ IBM Data Science Professional Certificate
- ✓ Tableau Desktop Specialist
- ✓ Google Advanced Data Analytics Certificate
- ★ Kaggle Expert – Top 8% globally
- ★ 1st Place – Unstop Data Science Challenge 2023 (500+ teams)
- ★ Research paper under review – ICML Workshop 2024
